EDUCATION

Software Development Curriculum, Mississippi Coding Academy, expected graduation September 2018

Simulation and Animation, Mississippi Career Development Center, graduated May 2017

Hinds Community College, expected graduation December 2020

TECHNICAL EXPERIENCE

Valentine Project, Base Camp Coding Academy, February 14, 2018 to March 17, 2018

Goal: Create a Valentine program that prints lyrics of a song in a class or definition.

- Created a dating simulator in the project.
- Was able to print the song.
- Also, was able to place variables in the game as well.

Construction Web Page Project, Base Camp Coding Academy, May 20, 2018 to June 15, 2018

Goal: Create a web page that has multiple links attached to it.

- Designed a working web page.
- Links opens up to a new tab.

Loyalty Project, Base Camp Coding Academy, April 1, 2018 to May 13, 2018

Goal: Create a python project that can record data.

- Learned how to have the program read and save the text files.
- Created a random points generator.
